

2013 Winners:

Joe Kosmo Award for Excellence (Grand Prize)

First Place: Team LunaCY

Iowa State University in collaboration with Nebraska Indian Community College & Wartburg College

Second Place : Mountaineers

West Virginia University in collaboration with Bluefield State College

Third Place: The Lunar Tide

The University of Alabama in collaboration with Shelton State Community College

On-Site Mining Award

First Place: Team LunaCY

Iowa State University in collaboration with Nebraska Indian Community College & Wartburg College

Second Place: Team Raptor

University of North Dakota

Third Place: UNH LunaCats

University of New Hampshire

Judges Innovation Award

MSU WASP

Montana State University

Efficient Use of Communications Power Award

First Place: UNH LunaCats

University of New Hampshire

Second Place: MSU WASP

Montana State University

Third Place: Robocol

Universidad de Los Andes in collaboration with Virginia State University

Systems Engineering Paper Award

First Place: The Lunar Tide

The University of Alabama in collaboration with Shelton State Community College

Second Place: MIST Lunabotics EKUSH

Military Institute of Science and Technology

Third Place : Golden Eagles

John Brown University

Outreach Project Report Award

First Place: MIST Lunabotics EKUSH

Military Institute of Science and Technology

Second Place: KMC Lunabotics

Kirori Mal College-Cluster Innovation Centre, University of Delhi

Third Place: Team LunaCY

Iowa State University in collaboration with Nebraska Indian Community College & Wartburg College

Team Spirit Award

First Place : Persistence

Florida Institute of Technology

Second Place: Mountaineers

West Virginia University in collaboration with Bluefield State College

Third Place: MIST Lunabotics EKUSH

Military Institute of Science and Technology

Slide Presentation and Demonstration Award

First Place: The Lunar Tide

The University of Alabama in collaboration with Shelton State Community College

Second Place : Golden Eagles

John Brown University

Third Place: S.T.A.C.E.E

University of Akron

Luna Worldwide Campaign Award

First Place : MIST Lunabotics EKUSH
Military Institute of Science and Technology
Second Place: KMC Lunabotics
Kirori Mal College-Cluster Innovation Centre, University of Delhi
Third Place: BUET MechaTrons
Bangladesh University of Engineering and Technology

Social Media Award

Robocol
Universidad de Los Andes in collaboration with Virginia State University

Perseverance Award

HUSAR
Warsaw University of Technology

2012 Winners**Joe Kosmo Award for Excellence (Grand Prize)**

First Place - The University of Alabama in collaboration with Shelton State Community College
Second Place - Iowa State University in collaboration with Wartburg College
Third Place - West Virginia University

On-Site Mining Award

First Place - Iowa State University in collaboration with Wartburg College
Second Place - The University of Alabama in collaboration with Shelton State Community College
Third Place - Milwaukee School of Engineering

Judges Innovation Award

Polytechnic Institute of New York University

Efficient Use of Communications Power Award

Iowa State University in collaboration with Wartburg College

Best Use of Social Media

Universidad de Los Andes of Colombia

Slide Presentation and Demonstration Award

First Place - The University of Alabama in collaboration with Shelton State Community College
Second Place - West Virginia University
Third Place - Universidad de Los Andes of Colombia

Outreach Project Report Award

First Place - Iowa State University in collaboration with Wartburg College
Second Place - Montana State University - Bozeman
Third Place - John Brown University

Systems Engineering Paper Award

First Place - Montana State University - Bozeman
Second Place - John Brown University
Third Place - University of Illinois at Urbana-Champaign

Team Spirit Award

First Place - The University of Alabama in collaboration with Shelton State Community College

Second Place - Instituto de Astrobiologia Colombia IAC
Third Place - Polytechnic Institute of New York University

2011 Winners

Joe Kosmo Award for Excellence (Grand Prize)

University of North Dakota

On-Site Mining Award

First Place – Laurentian University

Second Place – University of North Dakota

Third Place – West Virginia University

Judges Innovation Design Award

Embry Riddle Aeronautical University, Prescott

Efficient Use of Communications Power Award

Laurentian University

Slide Presentation and Demonstration Award

Embry Riddle Aeronautical University, Daytona Beach

Outreach Project Report Award

Montana Tech at University of Montana

Systems Engineering Paper Award

John Brown University

Team Spirit Award

University of Alabama

2010 Winners

Joe Kosmo Award for Excellence (Grand Prize)

Montana State University

On-Site Mining Award

Montana State University

Slide Presentation and Demonstration Award

Western Kentucky University

Outreach Project Report Award

Embry Riddle Aeronautical University, Daytona

Systems Engineering Paper Award

Auburn University

Team Spirit Award

The University of Southern Indiana
